*'Every Child, Every Opportunity'*

23<sup>rd</sup> May 2025

Dear Parents and Carers,

We are excited to inform you about an upcoming educational field trip that promises to be a wonderful and enriching experience for your child. **Fig will be visiting the Ancient Technology Centre in Wimborne on Tuesday 1<sup>st</sup> July to give the children an immersive experience of what life was like during the Anglo-Saxons and Scots times.**

Purpose: Our visit to the Ancient Technology centre is directly related to our History topic, where we will be learning about life during the Anglo-Saxon and Scots period, including the local area.

Educational Objectives: During the visit, the students will have the opportunity to:

- Learn about how people lived and their living conditions
- Learn about the materials, humans used at the time
- Similarities and differences with modern life.

Schedule: We will depart from the school at approximately 9:30 and return by 3:15. Please ensure your child arrives at school punctually on the day of the trip with a packed lunch; if you have ordered a hot school dinner for your child, they will receive a packed lunch for this day.

Clothing: Children can wear non-school uniform clothing and trainers suitable for learning outside for most of the day. Due to the time of year, please ensure your child has sun cream, a hat and a drink for the trip.

Cost: We are asking for a contribution to enable this visit to go ahead of £17 per child to cover the cost of transportation and admission fees. If you have any concerns about the cost, please contact us, as we have financial assistance available.

Children entitled to pupil premium will receive a 50% discount on the above price. Please make payment via the MCAS app.

This is a provisional booking and unfortunately if we do not receive enough payments by **Monday 23<sup>rd</sup> June** then the trip will not be able to go ahead.

We believe that this trip to the Ancient Technology Centre will greatly enhance our children's understanding of the Anglo-Saxons and Scots; it promises to be an unforgettable and informative experience.

If you have any questions, concerns, or special considerations regarding the trip, please do not hesitate to contact us. We are here to ensure that all children have a safe and enjoyable experience.

Thank you for your continued support and cooperation. We look forward to this exciting adventure with your child.

Yours sincerely

*Mr Lowry*
